THE FOUNDER

Established on September 4th, 2023, in Sharjah, UAE, by our visionary founder and CEO, **Mr. Narendra Singh**, Dana Impex Global FZE boasts over 25 years of industry experience. Mr. Singh's expertise stems from his extensive tenure within the metal business, having collaborated with renowned recycling industries in India and Nigeria. His global exploration has enriched his knowledge and network within the metal market, particularly in aluminum alloys, ingots, and scrap such as Tablet, Troma, UBC, Tense, Tread, Taint/tabor, and more. As an advocate for environmental sustainability, Mr. Singh ensures that our operations adhere to eco-friendly and sustainable practices.
